

MATERIAL SAFETY DATA SHEET - #58201
Identity as used on label and list -- ROCK SALT

SECTION I - IDENTIFICATION

A. Manufacturer's Name:	American Stone-Mix, Inc.
B. Address:	8320 Bellona Avenue Towson, MD 21204
C. Emergency Telephone No.:	(410)296-6770
D. Trademark:	AMSTONE ROCK SALT
E. Chemical Name:	Sodium Chloride
F. Chemical Family:	Natural Mineral
G. CAS Registry No.:	#7647-14-5

SECTION II - INGREDIENTS

Hazardous Ingredients: Does not contain hazardous components

SECTION III - PHYSICAL/CHEMICAL PROPERTIES

Boiling Point:	1413° C
Odor:	None
Specific Gravity/Density:	2.165(water=1)
Solubility:	Dilutable @ 35.7g in 100ml water at 25° C
Melting Point:	800.4 °C
Appearance:	Solid White or off-white crystalline solid
Evaporation Rate:	Not applicable

SECTION IV - FIRE AND EXPLOSION HAZARD DATA

Flash Point (method): Not applicable
Flammable Limits :
 UEL: Not applicable
 LEL: Not applicable

Extinguishing Agents: Not applicable

Unusual Fire and Explosion Hazards: Not applicable

MATERIAL SAFETY DATA SHEET #58201

SECTION V - HEALTH HAZARD INFORMATION

Routes of Entry:

SKIN: Not applicable under normal use conditions
IHALATION: Not applicable under normal use conditions
INGESTION: Not applicable under normal use conditions

Health Hazards: No acute systemic, chronic systemic or chronic local toxicity

Medical Conditions Aggravated By Exposure: None Known

Carcinogenity: NTP Not applicable
LARC Monographs Not applicable
OSHA Regulated Not applicable

Acute Effects of Over Exposure: Acute local exposure as an irritant and through ingestion are possible but effects are reversible

First Aid Procedures:

EYES: Flush with water. Consult a physician
SKIN: Flush with water. Consult a physician
INGESTION: Drink water to dilute. Consult a physician

SECTION VI - REACTIVITY

Stability: Stable

Hazardous Polymerization: Will not occur

Hazardous Decomposition/Reaction Products: Generates Hydrogen Chloride with strong acids

Incompatibilities: (Materials to Avoid) Strong acids such as Sulphuric or Nitric

SECTION VII - SPILL OR LEAK PROCEDURES

Steps to be taken in case material is released or spilled:

Sweep up spills and flush with water

Waste Disposal Method:

This product is not considered a hazardous waste under current federal guidelines. Dry land fill, or dissolve in sufficient amounts of water to meet existing water quality standards.

MATERIAL SAFETY DATA SHEET - #58201

SECTION VIII - SPECIAL PROTECTION INFORMATION

Store in a dry area preferably with relative humidity less than 75%.

Respiratory Protection: None normally required. If exposures are anticipated to be excessive, appropriate respiratory protection should be selected by a qualified individual.

Special Protective Equipment: Gloves suitable for use recommended
Dust mask may be used
Safety Goggles recommended

Ventilation: Dust collector may be used

SECTION IX - SPECIAL PRECAUTIONS

Employees should wash before eating or smoking.

Use good housekeeping techniques.

SECTION X

DISCLAIMER OF LIABILITY

As the conditions or methods of use are beyond our control, we do not assume any responsibility and expressly disclaim any liability for any use of this material. Information contained herein is believed to be true and accurate, but all statements or suggestions are made without warranty, express or implied, regarding accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use thereof. Compliance with all applicable federal, state and local laws and regulations remains the responsibility of the user.
